

# Material Safety Data Sheet

|      |  |                              |
|------|--|------------------------------|
| NFPA | HCS Risk Phrases                             | Protective Clothing          |
|      | Not controlled under the HCS (United States) | Safety glasses<br>Respirator |

## Section I. Chemical Product and Company Identification

|                            |  |                   |            |
|----------------------------|--|-------------------|------------|
| Common Name/<br>Trade Name | <b>FRITZ-PAK<br/>AIR PLUS</b>  | Last Update       | 03/01/2014 |
| Supplier/<br>Manufacturer: | FRITZ-PAK CORPORATION<br>4821 Eastover Circle<br>Mesquite, TX 75149 U.S.A.<br>Tel: 214-221-9494<br>Fax: 214-349-3182 |                   |            |
| Chemical Family            | Material Uses  | Concrete Additive |            |

## Section II. Composition and Information on Ingredients:

| Name                    | CAS # | % by Weight | TLV/PEL | LC <sub>50</sub> /LD <sub>50</sub> |
|-------------------------|-------|-------------|---------|------------------------------------|
| No hazardous ingredient |       |             |         | N/A                                |

## Section III. Hazards Identification: Non-Hazardous

Potential Acute Health and Chronic Effects      Slightly dangerous in case of inhalation.

## Section IV. First Aid Measures

|              |  |
|--------------|--|
| Eye Contact  | IMMEDIATELY flush eyes with running water for at least 15 minutes, keeping eyelids open. Cold water may be used. |
| Skin Contact | Rinse with water.  |
| Inhalation   | Allow the individual to rest in a well-ventilated area. Seek immediate medical attention.                        |
| Ingestion    | Have conscious person drink several glasses of water or milk. Seek medical attention.                            |

## Section V. Fire and Explosion Data - Non-Flammable

## Section VI. Accidental Release Measures

|             |   |
|-------------|---|
| Small Spill | Use appropriate tools to put the spilled solid in a convenient waste disposal container.                              |
| Large Spill | Use a shovel to put material into a convenient waste disposal container and dispose of it in an appropriate landfill. |

## Section VII. Handling and Storage - No specific storage is required.

## Section VIII. Exposure Controls/Personal Protection

|                      |   |
|----------------------|---|
| Engineering Controls | Use process enclosures, local exhaust ventilation, or other engineering controls to keep airborne levels below recommended exposure limits. If user operations generate dust, fume or mist, use ventilation to keep exposure to airborne contaminants below the exposure limit. |
| Personal Protection  | Safety glasses. Dust respirator.  |

**Section IX. Physical and Chemical Properties**

|                               |                        |       |                |
|-------------------------------|------------------------|-------|----------------|
| Physical state and appearance | Solid                  | Odor  | Sweet. Soapy.  |
| Specific Gravity              | 2.3 (Water = 1)        | Color | Brown (Light). |
| Volatility                    | 2% (v/v)               |       |                |
| Solubility                    | Very slightly soluble. |       |                |

**Section X. Stability and Reactivity Data**

**Stability** The product is stable.

**Section XI. Toxicological Information**

**Routes of Entry** Ingestion.

**Toxicity to Animals** LD50: Not available.  
LC50: Not Available.

**Section XII. Ecological Information - Not Available****Section XIII. Disposal Considerations**

**Waste Disposal** Use dustless method to sweep up and place in container for disposal.

**Section XIV. Transport Information**

**DOT Classification** Not a DOT controlled Material (United States)

**DOT Pictograms**

**Section XV. Other Regulatory Information and Pictograms**

**Federal and State Regulations** Not available
